

ASSORTMENT 2018

HELLO.

Dear Customer,

At Brabantia, we want to be part of the solution, not the pollution. By designing sustainability into all of our products. By helping consumers to do the right thing. And by supporting organizations that make a difference.

Every Brabantia dryer or drying rack sold helps WeForest counter global warming. We back The Ocean Cleanup in ridding the oceans of plastic by donating for every newIcon and Bo Pedal Bin we sell. And our storage jars with measuring cup help prevent food waste, and help fight world hunger. For each jar sold, we support The Hunger Project.

In 2017, the world said Hello to Bo. Bo Touch Bin was an instant design success. Both the distinctive Bo Touch Bin and the new Bo Pedal Bin have the looks and the tools for easy waste separation at home and are Cradle-to-Cradle Certified on Bronze level.

The new year also brings good tidings for those who love a tidy kitchen: we will introduce 9 different tools for an uncluttered countertop. From brush, microfiber cloths and cleaning pads to drying racks, a drying mat and a sink organizer – the stylish Sink Side collection helps keep kitchens and crockery clean.

Ironing will be extra relaxed with three new, nature inspired ironing boards, featuring inspiring covers like crisp Morning Breeze, cooling Fern Shades and invigorating Tropical Leaves. The striking Fading Lines ironing board cover has a Heat Resistant Parking Zone for irons. And the fresh and bubbly PerfectFlow-cover Colour Spots enhances the performance of any steam iron, keeping the floor dry.

We plan on making 2018 a great year. And we are happy to help you do the same, with new point of sale material, consumer advertising, service and web support. Please let me or a member of my team know if we can support you in any other way.

Yours sincerely,

LOVE FOOD. DON'T WASTE IT.

Brabantia wants to make the world more beautiful for the people in it. By creating sustainable products that make domestic chores pleasurable. And by supporting projects that help solve problems a little bit further from home. Brabantia Storage Jars with measuring cups help prevent food waste, and help end hunger too. For every storage jar sold, Brabantia donates to The Hunger Project, a global non-profit organization committed to the sustainable end of world hunger by 2030.

LOVE NATURE.

1,000,000 Thank you's! Together with WeForest we planted 1,000,000 trees in Africa's Great Green Wall. We'll keep encouraging consumers to dry their washing naturally. Working with consumers and WeForest to protect and restore the world's environment, we will continue to plant a tree for every rotary dryer or drying rack sold.

1 tree for every rotary dryer or drying rack sold

**OVER 1,000,000 TREES
